

The EGGERS Group is a family-owned company and has been realizing major projects in Germany for over 115 years. With more than 800 employees we are one of the major players in the German market in environmental engineering, civil construction engineering and unexploded ordnance survey (UxO), clearance and disposal. We also maintain a portfolio in recycling, container works as well as raw material production in sand and gravel. At EGGERS group we are committed to being a great place to work: one that welcomes new ideas, encourages diversity, perspectives and fosters a collaborative team environment.

EGGERS Kampfmittelbergung is not only one of the biggest companies under the EGGERS umbrella but as well as one of the most prolific UxO company in north Germany. We specialise in Surveying, Clearance and Disposal of Ordnances in water and land.

Due to emerging markets and our successful sustainable growth in the water sector, we are looking for a
