EVENT OVERVIEW

Transport Evolution Mozambique Forum & Showcase takes place in Maputo in April 2021. The event falls part of dmg events' Transport Evolution series, making it a well-known and trusted brand. Furthermore, the event has the full support of Mozambique's Minister of Transport and Communication, Maputo Port Development Company and CFM (Mozambique's rail authority).

We will once again bring together leaders from the regional and international transport community to accelerate new business opportunities in the port, rail and road sectors. The forum features sought-after industry experts to discuss strategic and technical topics. It also plays host to the public and private sector as they identify opportunities and implement plans to upgrade and maintain existing transport infrastructure, as well as develop new systems to improve service delivery.
