Europe-wide network in the Framework of
CLIPPER
06.06.2019 – Kiel, Germany

CLIPPER

supports the competitiveness of maritime industries SMEs through better public policies on industrial performance, value chains and clusters, internationalisation, and access to finance.

Matchmaking Event

The event offers opportunity to establish or deepen various types of partnerships. Establish communication relationships, ideally business relations between companies within approx. 15 minutes of talks. If you want to participate in this event, you get a Mail with online access to the slots/participants.

Participants from

France, Spain, Finland, Croatia, Italy, United Kingdom, Germany.
Participants are from companies, ministries, clusters and other stakeholders of the maritime business.

Conditions of participation

For participation in the free matchmaking event, registration is required until 02. May 2019. It is necessary to know the participants so early to enable the preparation for the Matchmaking Website. The Event is free including the meals and the optional boat trip in the evening. Therefore, you get another mail with the link to all of the participants.

Registration

Until 02. Mai 2019 per Mail: leon.gengnagel@fh-kiel-gmbh.de

Or via phone +494312103535
