Messe**

About Enterprise Europe Network

Launched in February 2008 by the European Commission, the Enterprise Europe Network offers its support and services especially to small and medium enterprises (SMEs) and research organisations in Europe.

All activities of the network aim at promoting innovation and competitiveness in Europe. The services offered by nearly 600 partner organisations from more than 60 European and non-European countries include partner searches for technology, research and business cooperation, technology audits, advice on European regulations, current programmes und funding opportunities.

For more information on the Enterprise Europe Network please visit

<http://een.ec.europa.eu>

Visit the Enterprise Europe Network at WindEnergy Hamburg 2018 (hall 7, room 7,1 – upper floor) for additional information about how we can support your business.
