# Yara Marine X

Catalysing Marine Startups

We are looking for  
commercially viable  
ideas and startups that  
have a **sustainability  
focus within vessel  
operations**

[YaraMarineX.com](https://YaraMarineX.com)

# The Program

**Creating real change to enable a greener maritime industry, fostering ideas and concepts with actual impact and power to truly change the space.**

We believe that truly being able to impact the market in a sustainable way will require this industry to think outside of the box using fresh minds and creative ideas from around the world.

Yara Marine X is not your typical accelerator - it is a 6-month tailored program giving you the opportunity to actually become a part of an initiative that will create a sustainable difference in the maritime industry. We are searching the globe to bringing the best ideas and startups together , providing access to our **competence, network, market and capital.**

## Why you should apply

If you are chosen to be a part of Yara Marine X, you will receive a package that includes:

- **10K USD** selection fund
- Accommodation in Oslo, Norway for the entire duration of the program
- Office space for the entire duration of the program
- Bootcamp to ascertain gaps and needs and fill with competence and mentorship within Yara Marine and XY01
- 6-month tailored program including fast piloting, go-to-market, development and network access
- Possibility of 150,000 USD investment for a 10% stake by Yara Marine at the end of the 6-months
